1. Volunteer Application

Notes: The following list includes some considerations to ponder regarding volunteering at the Mustang Alley Horse Rescue.

1. We give volunteering priority to individuals who are able to commit at least one session per week. Continuity is very important in ensuring all of the necessary chores are completed, and the horses get used to seeing regular faces.
2. The MAHR Board of Directors and Staff are committed to providing all of its resident horses with the best quality of life possible. MAHR's policies and procedures are developed with the horse's best interest in mind. Our first priority is the safety and welfare of both the volunteers and the horses. Because of liability issues, we cannot guarantee that volunteers will have any direct interaction with the horses.
3. If you cannot commit to at least one session per week, but are interested in helping with fundraising efforts and /or membership, please let us know regarding your specific areas of interest.
4. Children under the age of 18 must be accompanied by a parent or guardian at all times while on the Mustang Alley Horse Rescue Premises.
